

# Quandary Peak / McCullough Gulch Shuttle and Parking

**Summit County is pleased to announce the 2022 pilot shuttle and parking program for Quandary Peak and McCullough Gulch.**

## SHUTTLE INFORMATION

### Shuttle Operation Period

The shuttle will operate between 5am and 5pm daily from June 15th until September 18th.

Pick up/drop off is in Breckenridge, on the northeast side of the South Gondola parking structure, at ground level. All day parking is \$15, but riders are encouraged to walk, bike, or take transit.

The last shuttle from the trailhead back to town boards at 4:30pm.

### Reservations and Fares

Tickets may be purchased up to two weeks in advance at [parkquandary.com](https://parkquandary.com).

Fares are \$15 for visitors and \$5 for residents.

An onsite kiosk is available at the trailhead for one-way ticket purchase at the same fare as roundtrip.

Passengers will be required to show payment confirmation at boarding. We recommend printing or saving your confirmation on your phone as there is no cellular service at the trailhead.

Shuttle availability on day of ride is on a first-come, first-served basis. Customers may take a shuttle at any time on the day for which they've purchased a ticket.

Tickets are not required for dogs.

### Discount for Residents

Residents will need to create an account at [parkquandary.com](https://parkquandary.com) a minimum of 48 hours in advance to receive their discount. Proof of residence may include a Driver's License, Utility Bill, or Lease Agreement that shows a Summit County address.

### McCullough Gulch Shuttle

The McCullough Gulch shuttle service will be included with the purchase of a parking reservation or shuttle payment. Shuttle drivers will not be required to check proof of payment for the McCullough Gulch shuttle service.

### Operations

Summit Express will operate the shuttle, and Interstate Parking will oversee the payment and reservation systems.
