Trail Highlights:

- The Golden Horseshoe is an 8,900 acre area that lies between French Gulch to the south and Swan River drainage to the north. The name "Golden Horseshoe" captures both the historic gold mining era and the physical shape of the area. It is rich in natural resources, recreational opportunities, and cultural resources.

Important Information:

- ATVs and 4x4 vehicles are not permitted on single track trails.
- OHVs must stay on designated routes only. Obtain a Dillon Ranger District Motor Vehicle Use Map to determine designated routes. OHVs must be registered and have a decal on the vehicle.
- Mountain bikes, motorcycles, ATVs, and 4x4 vehicles may only be used on trails marked with a symbol allowing that use.
