- The trailhead is across Hwy 9 from the parking lot on the east side. Be careful while crossing road.

ATTRACTIONS AND CONSIDERATIONS

- From the trailhead follow the route marked with blue diamonds as the trail heads north on an easily followed water diversion ditch.
- The Bemrose Trail contours around the hillside and crosses multiple drainages before it connects with the Woods Trail in Bemrose Creek drainage.
- Where the ditch intersects Bemrose Creek skiers can explore higher up or glide gently down to the Lower Access point.
- A series of blue diamond cross country ski routes are in the vicinity of Hoosier Pass on the east side. This area is called the “Bemrose Ski Circus” and has a series of inter-connecting cross-country skiing trails for all ability levels.
- In Europe the term “Ski Circus” is used for alpine areas which are connected by a network of lifts and trails, many times allowing the skier to ski from town to town.
- Per the Motor Vehicle Use Map, motorized use is prohibited.

ETHICS AND REGULATIONS

- Mountain bikes may only be used on trails marked with a mountain bike symbol. If there is no sign, it is closed to that use. e-Bike use is prohibited.
